## SUMMARY

I hold a Diploma 3 in Computer Engineering and am currently pursuing a Bachelor's degree in Information Technology, in my 8th semester at Pelita Bangsa University. I have internship experience as a Social Media Specialist, Graphic Designer, Website Developer, and Learning Design and Experience Specialist. I am currently deepening my knowledge of cloud technology and participating in the DBS Foundation Coding Camp scholarship program as a Full-Stack Web Developer. I am open to opportunities in IT, digital marketing, and web development.
